23<sup>rd</sup> February 2021

Dear parents and carers,

As you will have seen, the Prime Minister has announced the intention that all children will return to school on or shortly after March 8th. After a long and hard few weeks of remote learning, it will be an absolute pleasure to welcome back our students to site.

It appears that schools are going to be expected to undertake testing of students in Year 7 and over as part of this return process. There are also likely to be new rules around the wearing of masks, and possibly other guidance for us to follow too. The DfE have stated that this information will be released to schools later this week. I therefore hope to be able to update you with our detailed reopening and risk management plans towards the end of this week or the beginning of next.

I'd like to thank parents and carers for the support you have given the school over this period. Your kindness and your messages have meant a huge amount to all of us.

With very best wishes,

Linda McQuone  
Acting Headteacher
