12 February 2021

Dear parents/carers

**Parents' Evening 2021 - Monday 1<sup>st</sup> March, Wednesday 17<sup>th</sup> and Thursday 1<sup>st</sup> April  
from 4.00pm to 7.00pm - Video appointments**

I would like to invite you to attend our Parents' Evening **on 1<sup>st</sup> March, 17<sup>th</sup> March and 1<sup>st</sup> April from 4.00pm to 7.00pm**. We offer three evenings so to give flexibility for families – you are free to choose which of these suits you best. This is an important evening and gives you the chance to talk to your child's subject teachers about their work and progress.

The school has introduced a new intuitive and easy way to book and attend **video appointments**. This allows you to choose your own appointment times with teachers, you will receive an email confirming your appointments and will be able to attend a **video appointment** at your chosen time.

Booking will open from **22<sup>nd</sup> February 4.00pm**. It will close on **25<sup>th</sup> February at 12.00pm for appointments on 1<sup>st</sup> March but will remain open for the remaining dates until 12<sup>th</sup> March 4.00pm**.

Please visit <https://blackminster.schoolcloud.co.uk> to book your video appointments. If your child has the same teacher for several subjects we'd ask you to consider making only one appointment to talk about them all. Please note that Mr Beavan won't be available on these evenings. He will, however, be contacting parents by phone later on in the term to talk about children's progress. Mrs Shrimpton-Roberts is currently on maternity leave and won't be available either.

A short guide on how to book appointments is included with this letter. You can check a guide on how to attend appointments over video call on:  
<https://support.parentseveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

To book your appointments and attend video consultations you will need your details and your child's details: student's first name, surname and their date of birth.

We are confident that SchoolCloud will be an improvement to the previous system and welcome any feedback.

If you require assistance, please contact the school office who will be happy to help.

Yours sincerely

Linda McQuone  
Acting Headteacher
