Wednesday 4<sup>th</sup> May 2022

Dear parent / guardian

On the **18<sup>th</sup> and 19<sup>th</sup> May 2022**, we have Mike Mullen 6x BMX Halfpipe Champion visiting us to deliver a growth mindset assembly and run **BMX workshops for our Year 6 children**.

Over the course of the two days, your child will take part in the BMX workshops with Mike, which include:

- Fun bike control challenges
- Small jumps and tricks
- Growth Mindset and Resilience themed messaging

Bikes and Helmets will be provided so there is no requirement for the children to bring their own into school. However, if you would prefer that your child wears their own helmet they are able to do so.

**Children will need to attend school in trainers and PE kit with long trousers/leggings. Any long hair must be tied in a low pony tail or plait to ensure the helmets fit properly.**

Any activity using BMX bikes carries risks. All efforts are made to ensure the workshop is safe and enjoyable for all participants.

Please return the slip below **by 12<sup>th</sup> May** to the school office via the form tutor.

Kind regards,

  
Mrs Roberts
