Dear parents and carers,

### Re: SATs

Blackminster Middle School has been selected to have our Teacher Assessments moderated by the Local Authority. This process is to ensure that standards across the country are rigorous and fair.

The names of children in Year 6 and samples of the work will be shared with moderators, but no data will leave the school site.

There is no action required from you at all - I'm just sharing the information so that you are aware of this use of your child's data.

Kind regards,

Linda McQuone  
Executive Headteacher
